APPCONNECT NW

AppConnect NW is a network of seven community and technical colleges in the greater Seattle area offering **Bachelor of Applied Science degrees** in **Software / Application Development**
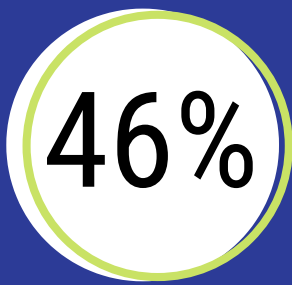

BACHELOR OF APPLIED SCIENCE DEGREE

Bachelor of Applied Science (BAS) degrees provide a third and fourth year of career-focused technical training on top of a two-year associate degree. BAS programs are hands-on, include the most in-demand technical skills, and prepare students with the knowledge and skills to succeed in technical careers.
